

How to submit a Turnitin assignment

1. Click on the dropbox for the specific Turnitin assignment.

2. Turnitin Assignments have an icon that looks like this:

3. Click the "My Submissions" tab

1. Add the submission
 - a. Enter the name of your paper in the "Submission title" field
 - b. Select the part that you would like to complete (This only applies if your instructor set up the assignment with multiple parts.)
 - c. Click the "Browse" button and select the appropriate file

| |
|---|
| The file that is selected must contain at least 20 words. If it does not, an error will be displayed and a delete icon will appear for the submission. Once the submission is deleted, another file can be submitted. |
|---|

| |
|--|
| Turnitin currently accepts the following file types for submission: MS Word (.doc), WordPerfect (.wpd), PostScript (.eps), Portable Document Format (.pdf), HTML (.htm), Rich Text (.rtf) and Plain Text (.txt). |
|--|

- a. Read the statement and click the check box to confirm and accept
- b. Click the "Add Submission" button
