

Change your password from off campus before it expires

If you are off campus and you got an email from password@delhi.edu stating that your password is going to expire.

You can change your password using the link below:

1. Visit this link <https://account.activedirectory.windowsazure.com/ChangePassword.aspx>
2. Enter your full Delhi email address and login.
3. Enter your current password and a new password. Click Submit!

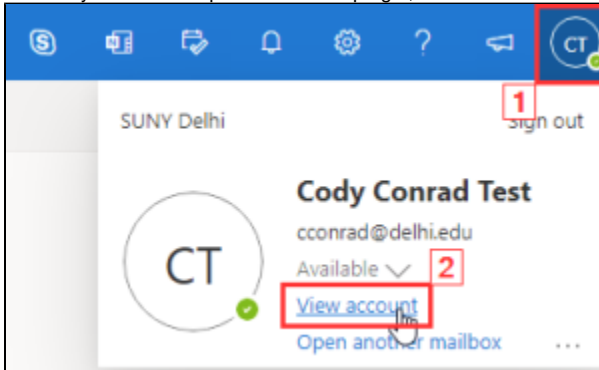

The screenshot shows a web form titled "Change password". It contains the following fields and elements:

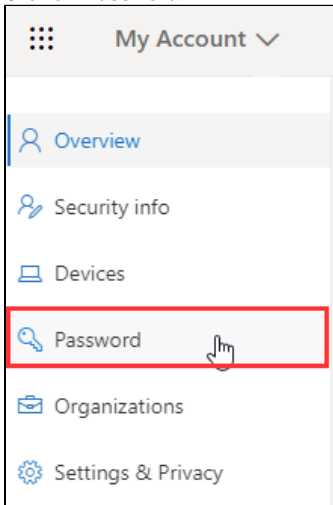

- User ID:** cconrad@delhi.edu
- Old password:** A text input field.
- Create new password:** A text input field.
- Confirm new password:** A text input field.
- Buttons:** A green "Submit" button and a "Cancel" button.

Or by following these instructions after logged into email

1. Login to your SUNY Delhi email
2. Click on your initials or picture on the top right, then click 'View Account'

3. Click on 'Password'

4. Enter your current password and a new password. Click Submit!

A screenshot of a "Change password" form. At the top, it says "Change password". Below that, it displays the "User ID" as "cconrad@delhi.edu". There are three input fields: "Old password", "Create new password", and "Confirm new password". At the bottom, there are two buttons: a green "Submit" button and a blue "Cancel" button.

Password Requirements:

- At least 8 Characters
- Requires uppercase, lowercase, number, and special character
- Cannot use previous passwords
- Cannot contain your name
- Password can only be changed once per 24 hours
- Password will need to be changed every 6 months
