

RAVE Mobile Safety

Rave Mobile Safety is SUNY Delhi's new emergency, safety, and weather alert system.

Rave Mobile Safety is an instant notification system that enables you to quickly receive campus alerts, weather delay notices and emergency notifications through your cell phone, landline and SUNY Delhi and personal email accounts. All students, faculty and staff have had their SUNY Delhi email addresses automatically enrolled in the Delhi Rave Mobile Safety system.

To ensure you receive notifications on all devices, [login](#) to update contact information. Please note, cellular phone providers may charge a fee for the delivery of notifications to your phone. You may also use this [link](#) to opt out at any time if you no longer wish to receive emergency alerts. You can add up to 2 additional email addresses, 3 cell phone numbers, and 3 landline phone numbers to your alerts.

Be assured that your contact information will not be shared with other entities. It will remain private and confidential. It will only be used by SUNY Delhi to communicate in the event of an emergency.

To Log in to RAVE:

Visit this link: <https://www.getrave.com/login/sunydelhi>

Use your SUNY Delhi email username and password to log in. ex) JS123 or smithjj

Changing your alert preferences:

To add a device click the  logo next to the appropriate device or email.
